

DEPOSIT ACCOUNT AGREEMENT

GENERAL AGREEMENT. The terms "you" and "your" refer to the depositor (whether **multi-party** or **single-party**) and the terms "we," "us" and "our" refer to the financial institution. The acronym "NOW" means Negotiable Order of Withdrawal. You understand the following Account Agreement ("Agreement") governs your account with us along with any other documents applicable to your account, which includes the Truth In Savings Account Disclosure and the Privacy Policy, and where applicable, the Funds Availability Policy and the Electronic Fund Transfer (Agreement and) Disclosure ("Disclosures"), which are incorporated by reference. By providing a written or electronic signature on the Account Information document or other agreement to open your account, or by using any of our deposit account services, you and any identified account owners agree to the terms contained in this Account Agreement.

GENERAL RULES. The following rules apply to all types of accounts:

1. Deposits. Deposits may be made in person, by mail, or in another form and manner as agreed by us in our sole discretion. We are not responsible for transactions mailed until we actually receive and record them. We may, at our sole discretion, refuse to accept particular instruments as deposits. Cash deposits are credited to your account according to this Agreement. Other items you deposit are handled by us according to our usual collection practices. If an item you deposit is returned unpaid, we will debit your account and adjust any interest earned. You are liable to us for the amount of any check you deposit to your account that is returned unpaid. In addition, you are liable to us for all costs and expenses related to the collection of any or all of that amount from you. Funds deposited to your account are available in accordance with the Disclosures.

2. Collection of Deposited Items. In receiving items for deposit or collection, we act only as your agent and assume no responsibility beyond the exercise of ordinary care. All items are credited subject to final settlement in cash or credits. We shall have the right to forward items to correspondents including all Federal Reserve Banks, and we shall not be liable for default or neglect of said correspondents for loss in transit, nor shall any correspondent be liable except for its own negligence. You specifically authorize us or our correspondents to utilize Federal Reserve Banks to handle such items in accordance with provisions of Regulation J (12 CFR Part 210), as revised or amended from time to time by the Federal Reserve Board. In the event we are subject to local clearinghouse rules, you specifically authorize us to handle such items in accordance with the rules and regulations of the clearinghouse.

If we permit you to withdraw funds from your account before final settlement has been made for any deposited item, and final settlement is not made, we have the right to charge your account or obtain a refund from you. In addition, we may charge back any deposited item at any time before final settlement for whatever reason. We shall not be liable for any damages resulting from the exercise of these rights. Except as may be attributable to our lack of good faith or failure to exercise ordinary care, we will not be liable for dishonor resulting from any reversal of credit, return of deposited items or for any damages resulting from any of those actions.

3. Set-offs and Liens. We may set-off funds in your account and any other accounts held by you, jointly or individually, to pay any debt you may owe us; this includes any item(s) that we have cashed for you that are returned to us unpaid. If the account is a multi-party account, we may offset funds for the debt of any one of the owners. In addition, you grant to us a security interest in your deposit accounts to secure any debt you may owe us in any non-consumer transaction.

4. Claims. In response to any garnishment, attachment, restraining order, injunction, levy, citation to discover assets, judgment, reclamation, other order of court or other legal process ("Claim(s)"), we have the right to place a hold on, remove from your account(s) and/or remit to the designated third-party(ies) any amount on deposit in your account as set forth in and required by such Claim(s). If the account(s) is/are held jointly, we may place the hold, remove from the account(s) and/or remit the amounts from the account(s) arising from any Claim(s) relating to any one or more of the account holders. In addition, we may charge against your account(s) any fee authorized by law in connection with the Claim(s) or as otherwise set forth in the Disclosures.

5. Expenses. You agree to be liable to us for any loss, cost or expense that we incur as a result of any dispute involving your account, including reasonable attorneys' fees to the extent permitted by law, and you authorize us to deduct such loss, cost, or expense from your account without prior notice to you.

6. Dormant/Inactive Accounts. You understand that if your account is dormant or inactive, you may be charged the fee specified in the Disclosures and we may stop paying interest to the extent permitted by law. You understand that your account balance may be escheated (that is, turned over to the state) in accordance with state law.

7. Multi-Party, Pay on Death, Fiduciary and Custodial Accounts. You acknowledge that if your account is set up as a multi-party, pay on death, fiduciary or custodial account, it is your sole responsibility to determine the legal effects of opening and maintaining an account of this nature.

8. Single-Party Accounts. If the account is noted as a single-party account, at the death of the individual, ownership of the funds remaining in the account will pass to the individual's estate. If the account is noted as a **single-party with pay on death** designation, upon the death of the party, ownership passes to the pay on death beneficiary(ies) and will not be part of the deceased party's estate.

9. Multi-Party Accounts. If the account is designated as a **multi-party** account, the parties own the account in proportion to net contributions unless there is clear and convincing evidence of a different intent. If the account is designated as a **multi-party with right of survivorship**, upon the death of one of the parties to the account, ownership passes equally to the surviving party(ies) as his or her separate property and estate. However, if one of the surviving parties is the spouse of the deceased party then the ownership interest of the deceased party passes to the surviving spouse. Upon the death of the last party of a **multi-party** account, ownership of the proceeds of the account passes over to the deceased party's estate. If the account is designated as a **multi-party without right of survivorship**, upon death of party, the deceased party's ownership interest passes as part of the deceased party's estate. Upon our written notification of death of any person named on the account, we may freeze the account until we have received satisfactory evidence as to the disposition of the account. If the account is designated as a **multi-party with right of survivorship and pay on death**, upon the death of the last surviving party, ownership passes to the pay on death beneficiary(ies) and is not part of the last surviving party's estate. In the case of an account where more than one beneficiary is named on the account, the beneficiaries shall share equally in the funds of the account, unless otherwise indicated. If the primary beneficiary predeceases the owner(s), when two or more contingent beneficiaries are named and survive the death of the owner(s), such beneficiaries will own this account in equal shares without the right of survivorship, unless otherwise indicated. Named beneficiaries are assumed to be primary unless indicated as contingent.

If this account is a multi-party account between two parties authorized by law to hold community property together, the following community property rules apply: If the account is noted as a multi-party account with right of survivorship, this account will be in the name of the parties who intend to fund the account with community property and hold the property with right of survivorship. Upon the death of either party, the property will vest in and belong to the surviving party. If the account is noted as a multi-party account without right of survivorship, this account will be in the name of the parties who intend that all property in the account, including earnings, be held as community property without right of survivorship. Upon the death of either party, one-half of the property will vest in and belong to the surviving party, and the other one-half of the property will vest in and belong to the estate of the deceased party.

All deposits of a multi-party account are the property of the person(s) indicated on the account and we may release all or any part of the amount in the account to honor checks, withdrawals, orders or requests from any person named on this account. Any person named on the account is liable for the amount of any overdraft fees regardless of whether he or she signed the item or benefited from the proceeds of the item. Upon receiving written notice from any person named on the account, we may freeze the account. The account may be frozen until we receive written notice, signed by all parties named in the account as to the disposition of funds. We may use the funds to satisfy a debt or judgment of any person named on the account if ordered to do so by a court of law.

10. Pay on Death Account. If this account is noted as a Pay on Death account, you may change the named beneficiary(ies) at any time by a written direction to us.

11. Convenience Signer. You may designate one or more convenience signers even if your account is not a Convenience Account. A designated convenience signer may make transactions on your behalf during your lifetime, but does not own the account during your lifetime. The designated convenience signer owns the account on your death only if the convenience signer is also designated as a P.O.D. payee or trust account beneficiary.

12. Trust Account. If the account is designated as a Trust account, the parties named as trustees to the account own the account in proportion to the parties' net contributions to the account. A trustee may withdraw funds from the account. A beneficiary may not withdraw funds from the account before all trustees are deceased. On the death of the last surviving trustee, the ownership of the account passes to the beneficiary. The trust account is not a part of a trustee's estate and does not pass under the trustee's will or by intestacy, unless the trustee survives all of the beneficiaries and all other trustees.

13. Custodial Account. A custodial account is subject to applicable law as adopted by the state in which the account is opened. The documents that authorize the custodianship may be required for the account. An account opened under the Uniform Transfers/Gifts to Minors Act must be opened in the name of a custodian "as custodian for (name of minor) under the Uniform Transfer to Minors Act". There may be only one custodian and one minor as beneficiary for each minor account.

14. Convenience Account. If the account is designated as a Convenience account, it must be opened in the names of the party and a cosigner, and the sums on deposit are paid or delivered to the party or to the cosigner "for the convenience" of the party. The party to the account owns the account. The cosigner to the account may make account transactions for the party. The cosigner does not own the account. On the death of the party, ownership of the account passes as part of the party's estate under the party's will or by intestacy. We may pay funds in the account to the cosigner before we receive notice of the death of the party. The payment to the cosigner does not affect the party's ownership of the account.

15. Power of Attorney. If you wish to name another person to act as your attorney in fact or agent in connection with your account, we must approve the form of appointment.

16. Fees, Service Charges and Balance Requirements. You agree you are responsible for any fees, charges, balance, or deposit requirements as stated in the Disclosures.

17. Non-Sufficient Funds and Overdrafts. If your account lacks sufficient funds to pay a check, preauthorized transfer, or other debit activity presented for payment as determined by your available account balance or actual (ledger) balance, we may (1) return the item or (2) pay the item at our discretion.

Available Balance. The available balance reflects deposits and transactions that have been posted to your account, such as checks you have written, and transactions that have been authorized but not yet posted to your account, including deposit holds and holds on debit card transactions that have been authorized but not yet posted (i.e. preauthorization holds). These pending transactions and holds reduce your available balance. For example, you have \$100 in your account and you spend \$30, which shows as a pending transaction on your account. Your available balance is \$70.

Fees. If there are insufficient funds to pay an item based on your available balance, we may either: 1) return the item or 2) pay the item at our discretion. We may charge you fees if we return the item or pay the item on your behalf.

Return Item For Non-Sufficient Funds. If we do not pay the item on your behalf and return the item, we may charge you non-sufficient funds fees. Pursuant to NACHA Operating Rules and Guidelines and other applicable laws, an item may be presented for payment more than one time. We may charge you non-sufficient funds fees for each resubmission of an item or representation of a check, which means you may incur multiple non-sufficient funds fees if an item is returned more than one time. For example, you write a check from your account with us. The check is returned for non-sufficient funds, and we may charge you a non-sufficient fund fee. The same check is then represented to us for payment, and the check is returned again for non-sufficient funds. We may charge you a non-sufficient fund fee the second time the check is presented for payment and returned for non-sufficient funds.

Overdrafts. If we pay the item on your behalf, you will be responsible for the overdrawn balance, and we may charge you overdraft fees. As discussed above, subsequent pending transactions and holds impact your available balance, which may cause your account to become overdrawn and subject to overdraft fees. For example, you have \$100 in your account. You use your debit card at a gas station and a preauthorization hold of \$60 is placed on your account because the amount of the transaction is not known at the time of authorization, even though you only spent \$50 at the gas station. The authorization hold reduces your available balance to \$40. You then spend \$50 on groceries. If we pay this item on your behalf, you will be responsible for paying the overdrawn balance, and we may charge you overdraft fees.

Actual (Ledger) Balance. The actual (ledger) balance method calculates your account balance only based on transactions that have settled, and it does not reflect pending transactions or checks that have not posted to your account. For example, you have \$100 in your account and spend \$30. Your actual (ledger) balance is \$100 because the pending \$30 does not reduce the amount of funds you have to spend in your account.

Fees. If there are insufficient funds to pay an item based on your actual (ledger) balance, we may either: 1) return the item or 2) pay the item at our discretion. We may charge you fees if we return the item or pay the item on your behalf.

Return Item For Non-Sufficient Funds. If we do not pay the item on your behalf and return the item, we may charge you non-sufficient funds fees. Pursuant to NACHA Operating Rules and Guidelines and other applicable laws, an item may be presented for payment more than one time. We may charge you non-sufficient funds fees for each resubmission of an item or representation of a check, which means you may incur multiple non-sufficient funds fees if an item is returned more than one time. For example, you write a check from your account with us. The check is returned for non-sufficient funds, and we may charge you a non-sufficient fund fee. The same check is then represented to us for payment, and the check is returned again for non-sufficient funds. We may charge you a non-sufficient fund fee the second time the check is presented for payment and returned for non-sufficient funds.

Overdrafts. If we pay the item on your behalf, you will be responsible for the overdrawn balance, and we may charge you overdraft fees.

If applicable, overdrafts may be covered by our standard overdraft practice that comes with your account or an overdraft protection plan, such as a link to an account or a line of credit. As part of our offered standard overdraft practice, we do not authorize and pay overdrafts on ATM or everyday debit card transactions unless you request us to do so. Please

refer to the Overdraft Services Consent Form for more information about overdrafts and our standard overdraft policies, if applicable, and refer to your Truth In Savings disclosure for more information about our overdraft privilege policy.

18. Processing Order. We will process items, such as credits, checks, and other debit items in accordance with our processing order policy. The processing order of these items is important because if your account balance has insufficient funds to pay for the items in the order that they are processed, we may charge you non-sufficient funds fees if we return the item or charge you overdraft fees if we pay the item on your behalf.

19. Amendments and Alterations. You agree that the terms and conditions governing your account may be amended by us from time to time. We will notify you of amendments as required by applicable law. Your continued use of the account evidences your agreement to any amendments. Notices will be sent to the most recent address shown on the account records. Only one notice will be given in the case of joint account holders.

20. Notices. You are responsible for notifying us of any address or name changes, the death of an account holder or other information affecting your account. Notices must be in a form and manner acceptable to us with enough information to allow us to identify the account. Notice sent by you to us is not effective until we have received it and have a reasonable opportunity to act on it. Written notice sent by us to you is effective when mailed to the last address supplied to us.

21. Certified Beneficial Owner Information. If you are obligated to certify beneficial owner information at the time the account is opened, you are responsible for notifying us of any changes to the certified beneficial ownership information that was provided to us. Notice should be made to us as soon as practical upon a change to the beneficial ownership information in a form and manner acceptable to us.

22. Telephone and Electronic Communication. You agree that we may call or send text messages to you at the telephone numbers that you provide to us, including a cell phone number, which may result in charges to you, for informational purposes regarding your account(s) with us. These calls and text messages may be made from an automatic telephone dialing system (i.e., an autodialer) or from an artificial or prerecorded voice message system. Additionally, you agree that we may send electronic communication to you at the email addresses you provide to us. You may contact us at any time if you no longer want to receive these communications from us.

23. Online or Mobile Services. If you open an account or obtain a product or service from us using our online or mobile services, we may record your personal information from a scan or a copy of your driver's license or other personal identification card, or we may receive an image or make a copy of your driver's license or other personal identification card. We may store or retain this information to the extent permitted by law.

24. Closing Account. We may close the account at any time, with or without cause, after sending you notice if advance notice is required by law. If applicable, a notice may be sent to you that specifies when the account will be closed. At our discretion, we have the authority to pay an otherwise properly payable check, which is presented after the closing of your account.

25. Transfers and Assignments. You cannot assign or transfer any interest in your account unless we agree in writing.

26. Applicable Laws and Regulations. You understand that this Agreement is governed by the laws of the state in which the account is opened, unless federal law controls. Changes in these laws may change the terms and conditions of your account. We will notify you of any changes as required by law.

27. ACH and Wire Transfers. This Agreement is subject to Article 4A of the Uniform Commercial Code - Funds Transfers as adopted by the state in which the account is opened. If you send or receive a wire transfer, you agree that Fedwire® Funds Service may be used. Federal Reserve Board Regulation J is the law that covers transactions made over Fedwire® Funds Service. When you originate a funds transfer for which Fedwire® Funds Service is used, and you identify by name and number a beneficiary financial institution, an intermediary financial institution or a beneficiary, we and every receiving or beneficiary institution may rely on the identifying number to make payment. We may rely on the number even if it identifies a financial institution, person or account other than the one named. If you are a party to an Automated Clearing House ("ACH") entry, you agree that we may transmit an entry through the ACH, and you agree to be bound by the National Automated Clearing House Association ("NACHA") Operating Rules and Guidelines, the rules of any local ACH, and the rules of any other systems through which the entry is made.

Provisional Payment. Credit we give you is provisional until we receive final settlement for that entry. If we do not receive final settlement, you agree that we are entitled to a refund of the amount credited to you in connection with the entry, and the party making payment to you via such entry (i.e., the originator of the entry) shall not be deemed to have paid you in the amount of such entry.

Notice of Receipt. We will not provide you with notice of our receipt of the order, unless we are so requested by the transfer originator in the order. However, we will continue to notify you of the receipt of payments in the periodic statements we provide to you.

Choice of Law. We may accept on your behalf payments to your account which have been transmitted, that are not subject to the Electronic Fund Transfer Act, and your rights and obligations with respect to such payments shall be construed in accordance with and governed by the laws of the state where we are located.

International ACH Transactions. If your transaction originates from a financial agency that is outside of the territorial jurisdiction of the United States, it may be subject to additional review for compliance with the rules of the Office of Foreign Assets Control (OFAC). If additional review is required, the International ACH transaction will not be available to you until it passes final verification.

28. Stop Payments.

Stop Payments on Checks. If you request us to stop payment on a check you have written, you will give written or other confirmation as allowed by us within 14 days of making the request. If you fail to confirm an oral stop payment request within the 14 days, unless our policy provides otherwise, we reserve the right to cancel the request. Your stop payment request must describe the item or account with reasonable certainty and we must receive the request in a time and way that gives us a reasonable opportunity to act on it. A stop payment on a check you have written will remain in effect until the earlier of 1) six months or other time period not less than six months as specified in the Stop Payment Order, or 2) until we receive written revocation of the stop payment. If the item on which a Stop Payment Order has been placed has not yet cleared or been returned to you by the payee, you may renew the Stop Payment Order for an additional six months by providing a request to us in a record or writing within the time period the Stop Payment Order is in effect. Our acceptance of a stop payment request does not constitute a representation by us that the item has not already been paid or that we have had a reasonable opportunity to act on the request. We may accept a stop payment request on lost or stolen checks, whether a single check or series, unless our policy requires we open a new account for you to ensure your security. Written communication includes communication by electronic record.

Stop Payments on ACH Debits. A Stop Payment Order may be placed on either a one-time debit transfer or on a multiple debit entry transfer. If you request a Stop Payment Order on an Electronic Check Conversion or other one-time debit transfer, we must receive the request, orally or in a record or writing, in a period of time that provides us a reasonable opportunity to act on it prior to acting on the debit entry, otherwise the Stop Payment Order shall be of no

effect. If you requested a stop payment on a multiple or future debit entry transfer, we must receive the Stop Payment Order, orally or in a record or writing, at least three business days before a scheduled debit entry. Requests to stop all future payments on an ACH debit transfer may require additional documentation to be supplied to us. Oral stop payment orders are binding on us for 14 calendar days only, unless our policy provides otherwise, and must be confirmed by you in a record or writing within that period. A Stop Payment Order on an ACH debit will remain in effect until the earlier of 1) your withdrawal of the Stop Payment Order, or 2) the return of the debit entry, or, where a Stop Payment Order is applied to more than one debit entry under a specific authorization involving a specific payee (Originator), the return of all such debits. When a stop is placed on a multiple or future debit entry transfer, we may require your confirmation in a record or writing stating that you have canceled your authorization for the transfer with the payee (a Stop Payment Order does not revoke authorization). Written communication includes communication by electronic record.

The Stop Payment Order shall be governed by the provisions of Article 4A of the Uniform Commercial Code as adopted by the state in which the account is opened, the Electronic Fund Transfer Act (Regulation E), NACHA Operating Rules, and any applicable state law. You may be charged a fee every time you request a Stop Payment Order and for each Stop Payment Order renewal you make. You understand that we may accept the stop payment request from any of the joint owners of the account regardless of who signed the check or authorized the transfer. A release of the Stop Payment Order may be made only by the person who initiated the stop payment request.

29. Checks. All negotiable paper ("checks") presented for deposit must be in a format that can be processed and we may refuse to accept any check that does not meet this requirement. All endorsements on the reverse side of any check deposited into your account, or on any check issued by you, must be placed on the left side of the check when looking at it from the front, and must be placed so as to not go beyond an area located 1-1/2 inches from the left edge of the check when looking at it from the front. It is your responsibility to ensure that this requirement is met. You are responsible for any loss incurred by us for failure of an endorsement to meet this requirement.

30. Electronic Checks and Electronically-Created Items. Pursuant to Regulation CC, electronic checks may be treated the same as paper checks for check collection and processing purposes. See the Substitute Checks section for more information. Electronically-created items ("ECI") are check-like items created in electronic form that never existed in paper form. For example, you set up automatic bill payments with us to pay your utility bill. From your account information, we create an ECI that is sent to your utility company for payment. An ECI cannot be used to create a substitute check since it never existed in paper form.

31. Substitute Checks. To make check processing faster, federal law permits financial institutions to replace original checks with "substitute checks." These checks are similar in size to original checks with a slightly reduced image of the front and back of the original check. The front of a substitute check states: "This is a legal copy of your check. You can use it the same way you would use the original check." You may use a substitute check as proof of payment just like the original check. Some or all of the checks that you receive back from us may be substitute check(s). An electronic check can be used to create a substitute check since the electronic image and electronic information was derived from its paper form.

32. Remote Deposit Capture. Remote deposit capture ("RDC") allows you to make deposits to your account from remote locations by electronically transmitting digital images of your original paper checks, which are drawn on or payable through United States financial institutions in United States dollars to us. We may then use the digital image to create an electronic check or substitute check for collection. If you use our RDC services, if applicable, we may require you to endorse the back of the paper check to indicate that it has been remotely deposited. For example, "for mobile deposit only."

33. Preauthorized Checks or Drafts. You should guard information about your account (such as your routing number and your account number) as carefully as you would guard blank checks. If you voluntarily give such information about your account to a party which is seeking to sell you goods or services, without physically delivering a check to it, any debit to or withdrawal from your account it initiates will be deemed authorized by you.

34. Stale or Postdated Checks. We reserve the right to pay or dishonor a check more than 6 months old without prior notice to you. If you can write checks on your account, you agree not to postdate any check drawn on the account. If you do and the check is presented for payment before the date of the check, we may pay it or return it unpaid. We are not liable for paying any stale or postdated check. Any damages you incur, that we may be liable for are limited to actual damages not to exceed the amount of the check.

35. Check Safekeeping. If you can write checks on your account and utilize check safekeeping or any other system offered by us for the retention of your checks, you understand that the canceled checks will be retained by us and destroyed after a reasonable time period or as required by law. If for any reason we cannot provide you with a copy of a check, our liability will be limited to the lesser of the face amount of the check or the actual damages sustained by you. When you request a copy of a check it may be subject to a fee as defined in the Disclosures.

36. Statements. If your account is a Checking, NOW, Money Market, or Statement Savings account, we will provide you with a periodic statement showing the account activity. The last address you supply us in writing will be deemed the proper address for mailing this statement to you. The account holder who receives this statement is the agent for his/ her co-account holder(s) for purposes of receiving the statement and items. You must exercise reasonable care in reviewing your statement and reasonable promptness in notifying us of any discrepancies, such as alterations or forged or unauthorized signatures, even if by the same wrongdoer. You must notify us within 30 days after we mail or otherwise make the statement available to you of any discrepancies, except for transfers governed by the Wire Transfer Agreement. If you fail to notify us with reasonable promptness, you will have no claim against us to the extent permitted by law. Additionally, you agree that we will not be liable for discrepancies reported to us after one year after we mail or otherwise make the statement or items available to you, even if we failed to exercise reasonable care. However, if the discrepancy is the result of an electronic fund transfer, the provisions of our Disclosures will control its resolution. If you do not receive a statement from us because you have failed to claim it or have supplied us with an incorrect address, we may stop sending your statements until you specifically make written request that we resume sending your statements and you supply us with a proper address.

37. Signatures. Your signature on the Account Information form is your authorized signature. You authorize us, at any time, to charge you for all checks, drafts, or other orders for the payment of money, that are drawn on us regardless of by whom or by what means (including facsimile signature(s)) may have been affixed so long as they resemble the signature specimen in our files. For withdrawal and for other purposes relating to any account you have with us, we are authorized to recognize your signature; and we will not be liable to you for refusing to honor signed instruments or instructions if we believe in good faith that one or more of the signatures appearing on the instrument or instruction is not genuine.

If your items are signed using any facsimile signature or non-manual form of signature, you acknowledge that it is solely for your benefit and convenience. You agree that no facsimile signature you have authorized us to honor may be considered a forgery or an unauthorized signature, and that every authorized facsimile signature shall be effective as the signatory's own original, manual signature. You accept sole responsibility for maintaining security over any device affixing the signature as such signature will be effective regardless of whether the person affixing it was authorized to do so. Your authorization notwithstanding, we are not obligated to accept or pay any items bearing facsimile signatures.

Further, most checks and other items are processed automatically, i.e., without individual review of each check or item. Therefore, unless we agree in a separate writing, in our sole discretion, upon your request and due to unique circumstances to conduct individual review of checks or other items for more than one signer, you agree that we are acting within common and reasonable banking practices by automatically processing checks and other items, i.e., without individual review of each check or item. You agree to indemnify, defend, and hold us harmless from and against all loss, costs, damage, liability, and other injury (including reasonable attorney fees) that you or we may suffer or incur as a result of this practice.

38. Restrictive Legends. We are not required to honor any restrictive legend on checks you write unless we have agreed to the restriction in a writing signed by an officer of the financial institution. Examples of restrictive legends are "two signatures required", "must be presented within 90 days" or "not valid for more than \$1,000.00."

39. Our Waiver of Rights. You understand and agree that no delay or failure on our part to exercise any right, remedy, power or privilege available to us under this Agreement shall affect or preclude our future exercise of that right, remedy, power or privilege.

40. Your Waiver of Notice. By signing the signature card/Account Information form, you waive any notice of non-payment, dishonor or protest regarding any items credited to or charged against your deposit account to the extent permitted by law. For example, if a check that you deposited is dishonored and returned to us, we are not required to notify you of the dishonor.

MONEY MARKET AND SAVINGS ACCOUNTS

Withdrawals. We have the right to require seven (7) days prior written notice from you of your intent to withdraw any funds from your account. Withdrawals may be subject to a service charge.

Regulation D Transaction Limitations. Federal regulation allows us to restrict the number of transfers or withdrawals you can make on a Money Market Account and Savings Account or to suspend enforcement of the restriction and allow you to make an unlimited number of transfers or withdrawals from these accounts.

If we enforce the restriction, you understand that we will not allow more transfers or withdrawals than the maximum number specified in the Disclosures, and we may close your account, take away your ability to transfer funds, or convert the account to a checking or other transaction account if the restriction is violated. Further, certain transfers or withdrawals will count toward the transaction limit:

Transfers or Withdrawals Subject to Transaction Limitations. This transaction limitation includes transfers or withdrawals made to a third party if made by: phone, fax, computer, check, debit card, ACH, bill payments, or automatic transfers. The transaction limitation also includes transfers or withdrawals made to another account that you have with us if made by: phone; fax; computer; debit card; ACH; bill payments; or automatic transfers, including transfers for overdraft protection purposes.

Transfers or Withdrawals Not Subject to Transaction Limitations. There is **no limit** on the number of transfers or withdrawals between the accounts you have with us if made by: mail, messenger, ATM, in person, or to repay a loan that you have with us.

However, if we suspend enforcement of the restriction on the number of transfers or withdrawals on your Money Market Account or Savings Account, there is no transaction limitation on transfers or withdrawals on these accounts. We may also suspend enforcement of the restriction on a temporary basis, such as for six months, and then resume enforcement after the temporary suspension.

SAVINGS ACCOUNTS

Passbooks. If your account is a passbook account and you wish to make a withdrawal without your passbook, we can refuse to allow the withdrawal. If your passbook is lost or stolen, you will immediately notify us in writing.

CERTIFICATES OF DEPOSIT/TIME DEPOSIT ACCOUNTS

Account Terms. The Certificate bears interest at the rate and basis as set forth on the Certificate. The terms of the Certificate, such as the interest rate(s), Annual Percentage Yield ("APY"), length of term period, renewability, and date of maturity are specified on the Certificate and in the Disclosures provided to you at the time of account opening. Interest will not be compounded unless noted and will be paid to you at the frequency and in the method noted. If interest compounds during the term of the Certificate and may be withdrawn prior to maturity, the withdrawal of interest prior to maturity will affect the APY.

Withdrawal Prior To Maturity. You have contracted to keep the account funds on deposit from the issue date until the maturity date. We may accept a request by you for withdrawal of some or all of the account funds prior to the maturity date at our discretion or as otherwise described in the Disclosures.

Additional Deposits During The Term. No additional deposits will be allowed to this account during its term unless otherwise described in the Disclosures.

Early Withdrawal Penalty. Unless provided otherwise in the Disclosures, we will assess an early withdrawal penalty on any withdrawal, either partial or in whole, that we allow you to make from your account prior to the account's maturity date. The method for determining that penalty is described in the Disclosures.

Renewal. Automatic Renewal Certificates will renew automatically on the stated maturity date of its term. Such renewal will be for a time period equal or similar to the original term and subject to these terms and conditions. Interest for that renewal term will be paid at the interest rate then in effect at this financial institution for similar accounts. If you close the Certificate within the grace period following the maturity date, we will not charge an early withdrawal penalty for that withdrawal. The grace period following a maturity date is described in the Disclosures.

Single Maturity. Single Maturity Certificates will not automatically renew at maturity. The Disclosures describe our policy concerning the account's status following the maturity date. To ensure a continuation of interest earning, you must arrange for a new investment of the account balance.

ELECTRONIC FUND TRANSFER DISCLOSURE AND AGREEMENT

P O Box 10 Gainesville, TX 76241
FirstState.Bank 940-665-1711

Electronic Fund Transfers - Your Rights and Responsibilities

For purposes of this disclosure and agreement the terms "we", "us" and "our" refer to First State Bank. The terms "you" and "your" refer to the recipient of this disclosure and agreement.

The Electronic Fund Transfer Act and Regulation E require institutions to provide certain information to customers regarding electronic fund transfers (EFTs). This disclosure applies to any EFT service you receive from us related to an account established primarily for personal, family or household purposes. Examples of EFT services include direct deposits to your account, automatic regular payments made from your account to a third party and one-time electronic payments from your account using information from your check to pay for purchases or to pay bills. This disclosure also applies to the use of your Debit Card (hereinafter referred to collectively as "Debit Card") at automated teller machines (ATMs) and any networks described below.

TERMS AND CONDITIONS. The following provisions govern the use of EFT services through accounts held by First State Bank which are established primarily for personal, family or household purposes. If you use any EFT services provided, you agree to be bound by the applicable terms and conditions listed below. Please read this document carefully and retain it for future reference.

DEFINITION OF BUSINESS DAY. Business days are Monday through Friday excluding holidays.

ELECTRONIC FUND TRANSFER SERVICES PROVIDED

DEBIT CARD SERVICES. The services available through use of your debit card are described below.

DEBIT CARD SERVICES:

- You may withdraw cash from your Checking and Savings account(s).
- You may make deposits into your Checking and Savings account(s).
- You may transfer funds between your Checking and Savings account(s).
- You may make balance inquiries on your Checking and Savings account(s).
- You may use your card at any merchant that accepts Mastercard[®] debit cards for the purchase of goods and services.

ATM SERVICES.

NETWORK. Your ability to perform the transactions or access the accounts set forth above depends on the location and type of ATM you are using and the network through which the transaction is being performed. A specific ATM or network may not perform or permit all of the above transactions.

You may access your Debit Card through the following network(s): MASTERCARD, PULSE, CIRRUS and MAESTRO.

ATM FEES. When you use an ATM not owned by us, you may be charged a fee by the ATM operator or any network used, and you may be charged a fee for a balance inquiry even if you do not complete a fund transfer.

POINT OF SALE TRANSACTIONS. Listed below is the card you may use to purchase goods and services from merchants that have arranged to accept your card as a means of payment (these merchants are referred to as "Participating Merchants"). Some Participating Merchants may permit you to receive cash back as part of your purchase. Purchases made with your card, including any purchase where you receive cash, are referred to as "Point of Sale" transactions and will cause your "designated account" to be debited for the amount of the purchase. We have the right to return any check or other item drawn against your account to ensure there are funds available to pay for any Point of Sale transaction. We may, but do not have to, allow transactions which exceed your available account balance or, if applicable, your available overdraft protection. If we do, you agree to pay an amount equal to the overdrawn balance plus any overdraft fees.

The following card and the corresponding designated account(s) may be used for Point of Sale transactions:

- Debit Card: Checking account(s).

Your Debit card may also be used to obtain cash from your designated account(s) at participating financial institutions when so authorized under the terms of your Account Agreement.

AUTHORIZATION HOLDS. An authorization hold is a temporary hold that is placed on your account for certain debit card transactions. The amount of the temporary hold may be more than the actual amount of the transaction, so your available account balance will temporarily be reduced by the amount of the temporary hold. If the authorization hold or the processing of

subsequent transactions causes your account to have insufficient funds to pay the transaction, we may charge you non-sufficient funds fees if we return the item or overdraft fees if we pay the item on your behalf.

CURRENCY CONVERSION - Mastercard®. If you perform transactions with your card with the Mastercard® logo in a currency other than US dollars, Mastercard International Inc. will convert the charge into a US dollar amount. At Mastercard International they use a currency conversion procedure, which is disclosed to institutions that issue Mastercard®. Currently the currency conversion rate used by Mastercard International to determine the transaction amount in US dollars for such transactions is generally either a government mandated rate or wholesale rate, determined by Mastercard International for the processing cycle in which the transaction is processed, increased by an adjustment factor established from time to time by Mastercard International. The currency conversion rate used by Mastercard International on the processing date may differ from the rate that would have been used on the purchase date or the cardholder statement posting date.

SERVICES PROVIDED THROUGH USE OF PHONE TELLER. You may perform the following functions through use of Phone Teller:

- You may initiate transfers of funds between your Checking and Savings account(s).
- You may make balance inquiries on your Checking, Savings, Certificate(s) of Deposit, and Loan(s).

These services can also be accessed through our Mobile Banking app.

ELECTRONIC CHECK CONVERSION. You may authorize a merchant or other payee to make a one-time electronic payment from your checking account using information from your check to pay for purchases or to pay bills.

WITHDRAWAL LIMITATIONS. You may not exceed your designated cash withdrawal limit per day or your designated dollar limit in Point of Sale transactions per day (refer to separate disclosure for designated limits).

LIMITATIONS ON TRANSACTIONS

OTHER LIMITATIONS.

- The number and/or dollar amount limit of Point of Sale transactions will be provided to you when you receive your card.
- The terms of your account(s) may limit the number of withdrawals you may make each month. Restrictions disclosed at the time you opened your account(s), or sent to you subsequently will also apply to your electronic withdrawals and electronic payments unless specified otherwise.
- We reserve the right to impose limitations for security purposes at any time.

LIMITS ON TRANSFERS FROM CERTAIN ACCOUNTS. Federal regulation limits the number of checks, telephone transfers, online transfers, and preauthorized electronic transfers to an account you have with us and to third parties (including Point of Sale transactions) from money market and savings type accounts. You are limited to six (6) such transactions from each money market and/or savings type account(s) you have each statement period for purposes of making a payment to a third party or by use of a telephone or computer.

NOTICE OF RIGHTS AND RESPONSIBILITIES

The use of any electronic fund transfer services described in this document creates certain rights and responsibilities regarding these services as described below.

RIGHT TO RECEIVE DOCUMENTATION OF YOUR TRANSFERS.

TRANSACTION RECEIPTS. Depending on the location of an ATM, you may not be given the option to receive a receipt if your transaction is \$15.00 or less. Upon completing a transaction of more than \$15.00, you will receive a printed receipt documenting the transaction (unless you choose not to get a paper receipt). These receipts (or the transaction

number given in place of the paper receipt) should be retained to verify that a transaction was performed. A receipt will be provided for any transaction of more than \$15.00 made with your Debit Card at a Participating Merchant. If the transaction is \$15.00 or less, the Participating Merchant is not required to provide a receipt.

PERIODIC STATEMENTS. If your account is subject to receiving a monthly statement, all EFT transactions will be reported on it. If your account is subject to receiving a statement less frequently than monthly, then you will continue to receive your statement on that cycle, unless there are EFT transactions, in which case you will receive a monthly statement. In any case you will receive your statement at least quarterly.

PREAUTHORIZED DEPOSITS. If you have arranged to have direct deposits made to your account at least once every 60 days from the same person or company:

- you can call us at (940)665-1711 to find out whether or not the deposit has been made.

USING YOUR CARD AND PERSONAL IDENTIFICATION NUMBER ("PIN"). In order to assist us in maintaining the security of your account and the terminals, the Debit Card remains our property and may be revoked or canceled at any time without giving you prior notice. You agree not to use your Debit Card for a transaction that would cause your account balance to go below zero, or to access an account that is no longer available or lacks sufficient funds to complete the transaction, including any available line of credit. We will not be required to complete any such transaction, but if we do, we may, at our sole discretion, charge or credit the transaction to another account; you agree to pay us the amount of the improper withdrawal or transfer upon request.

Certain transactions involving your Debit Card require use of your PIN. Your PIN is used to identify you as an authorized user. Because the PIN is used for identification purposes, you agree to notify First State Bank immediately if your Debit Card is lost or if the secrecy of your PIN is compromised. You also agree not to reveal your PIN to any person not authorized by you to use your Debit Card or to write your PIN on your Debit Card or on any other item kept with your Debit Card. We have the right to refuse a transaction on your account when your Debit Card or PIN has been reported lost or stolen or when we reasonably believe there is unusual activity on your account.

The security of your account depends upon your maintaining possession of your Debit Card and the secrecy of your PIN. You may change your PIN if you feel that the secrecy of your PIN has been compromised. You may change your PIN via telephone by calling (940) 665-1711.

RIGHTS REGARDING PREAUTHORIZED TRANSFERS.

RIGHTS AND PROCEDURES TO STOP PAYMENTS. If you have instructed us to make regular preauthorized transfers out of your account, you may stop any of the payments. To stop a payment,

call us at: (940)665-1711

or

write to: FIRST STATE BANK
P.O. BOX 10
GAINESVILLE, TEXAS 76241-0010

We must receive your call or written request at least three (3) business days prior to the scheduled payment. If you call, please have the following information ready: your account number, the date the transfer is to take place, to whom the transfer is being made and the amount of the scheduled transfer. If you call, we will require you to put your request in writing and deliver it to us within fourteen (14) days after you call.

NOTICE OF VARYING AMOUNTS. If you have arranged for automatic periodic payments to be deducted from your checking or savings account and these payments vary in amount, you will be notified by the person or company you are going to pay ten days prior to the payment date of the amount to be deducted.

OUR LIABILITY FOR FAILURE TO STOP PREAUTHORIZED TRANSFER PAYMENTS. If you order us to stop one of the payments and have provided us with the information we need at least three (3) business days prior to the scheduled transfer, and we do not stop the transfer, we will be liable for your losses or damages.

YOUR RESPONSIBILITY TO NOTIFY US OF LOSS OR THEFT. If you believe your Debit Card or PIN or internet banking access code has been lost or stolen,

call us at: (940)665-1711 (24 hours a day, 7 days a week)

or

write to: FIRST STATE BANK
P.O. BOX 10
GAINESVILLE, TEXAS 76241-0010

You should also call the number or write to the address listed above if you believe a transfer has been made using the information from your check without your permission.

CONSUMER LIABILITY. Tell us AT ONCE if you believe your Debit Card or PIN or internet banking access code has been lost or stolen or if you believe that an electronic fund transfer has been made without your permission using information from your check. Telephoning is the best way of keeping your possible losses down. You could lose all the money in your account (plus your maximum overdraft line of credit, if applicable). If you tell us within two (2) business days after you learn of the loss or theft of your Debit Card or PIN or internet banking access code you can lose no more than fifty dollars (\$50) if someone used your Debit Card or PIN or internet banking access code without your permission. If you do NOT tell us within two (2) business days after you learn of the loss or theft of your Debit Card or PIN or internet banking access code and we can prove we could have stopped someone from using your Debit Card or PIN or internet banking access code without your permission if you had given us notice, you can lose as much as fifty dollars (\$50.00).

Also, if your statement shows transfers you did not make, including those made by card, code, or other means, tell us at once. If you do not tell us within sixty (60) days after the statement was transmitted to you, you may not receive back any money you lost after the sixty (60) days, and therefore, you may not get back any money in your account (including your maximum overdraft line of credit, if applicable), if we can prove that we could have stopped someone from taking the money had you given us notice in time. If a good reason (such as a long trip or hospital stay) keeps you from giving the notice, we will extend the time periods.

CONSUMER LIABILITY FOR UNAUTHORIZED TRANSACTIONS INVOLVING DEBIT CARD. The limitations on your liability for unauthorized transactions described above generally apply to all electronic fund transfers. However, different limitations apply to certain transactions involving your card with the Mastercard® branded card.

If you promptly notify us about an unauthorized transaction involving your card and the unauthorized transaction took place on your Mastercard® branded card, including any PIN-based ATM or POS transactions, zero liability will be imposed on you for the unauthorized transaction. In order to qualify for the zero liability protection, you must have exercised reasonable care in safeguarding your card from the risk of loss or theft and, upon becoming aware of such loss or theft, promptly reported the loss or theft to us.

ILLEGAL USE OF DEBIT CARD. You agree not to use your Debit Card for any illegal transactions, including internet gambling and similar activities.

IN CASE OF ERRORS OR QUESTIONS ABOUT YOUR TRANSACTIONS. In case of errors or questions about your electronic fund transfers,

call us at: (940)665-1711

or

write to: FIRST STATE BANK
P.O. BOX 10
GAINESVILLE, TEXAS 76241-0010

or

email us at: DigitalSupport@FirstState.Bank

or

use the current information on your most recent account statement.

Notification should be made as soon as possible if you think your statement or receipt is wrong or if you need more information about a transaction listed on the statement or receipt. You must contact First State Bank no later than 60 days after we sent you the first statement on which the problem or error appears. You must be prepared to provide the following information:

- Your name and account number.
- A description of the error or transaction you are unsure about along with an explanation as to why you believe it is an error or why you need more information.
- The dollar amount of the suspected error.

If you provide oral notice, you will be required to send in your complaint or question in writing within ten (10) business days.

We will determine whether an error occurred within ten (10) business days (twenty (20) business days for new accounts) after we hear from you and will correct any error promptly. If we need more time, however, we may take up to forty-five (45) days (ninety (90) days for new accounts and foreign initiated or Point of Sale transfers) to investigate your complaint or question. If we decide to do this, we will credit your account within ten (10) business days (twenty (20) business days for new accounts) for the amount which you think is in error, so that you will have the use of the money during the time it takes to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within ten (10) business days, we may not credit your account. The extended time periods for new accounts apply to all electronic fund transfers that occur within the first thirty (30) days after the first deposit to the account is made, including those for foreign initiated or Point of Sale transactions.

We will tell you the results within three (3) business days after completing our investigation. If we decide that there was no error, we will send you a written explanation.

You may ask for copies of the documents that we used in our investigation.

LIABILITY FOR FAILURE TO COMPLETE TRANSACTION. If we do not complete a transfer to or from your account on time or in the correct amount according to our agreement with you, we will be liable for your losses or damages as provided by law. However, there are some exceptions. We will NOT be liable, for instance:

- If through no fault of ours, you do not have enough money in your account to make the transfer.
- If the transfer would result in your exceeding the credit limit on your line of credit, if you have one.
- If the electronic terminal was not working properly and you knew about the breakdown before you started the transfer.
- If circumstances beyond our control (such as fire or flood, computer or machine breakdown, or failure or interruption of communications facilities) prevent the transfer, despite reasonable precautions we have taken.
- If we have terminated our Agreement with you.
- When your Debit Card has been reported lost or stolen or we have reason to believe that something is wrong with a transaction.
- If we receive inaccurate or incomplete information needed to complete a transaction.
- In the case of preauthorized transfers, we will not be liable where there is a breakdown of the system which would normally handle the transfer.
- If the funds in the account are subject to legal action preventing a transfer to or from your account.
- If the electronic terminal does not have enough cash to complete the transaction.

There may be other exceptions provided by applicable law.

CHARGES FOR TRANSFERS OR THE RIGHT TO MAKE TRANSFERS.

PER TRANSACTION CHARGE. We may assess a fee for each preauthorized transfer, ATM transaction, telephone transaction or Point of Sale purchase you make. Please see the applicable Fee Schedule to determine the applicable amount.

FEES. You may be charged a fee for withdrawals of cash under certain circumstances, whether they take place at proprietary machines or through a network or are Point of Sale transfers or transfers made without the use of your Debit Card. The circumstances under which such charges will be assessed, as well as the amount of the charge, are included in the current Fee Schedule, which is hereby incorporated into this document.

FEE SCHEDULE. The Fee Schedule referred to above is being provided separately and is incorporated into this document by reference. Additional copies of the schedule may be obtained from First State Bank upon request.

PRAUTHORIZED TRANSACTIONS. There are no additional charges for your use of preauthorized electronic fund transfers except as stated in our Fee Schedule, which is incorporated into this document by reference.

DISCLOSURE OF ACCOUNT INFORMATION. You agree that merchant authorization messages transmitted in connection with Point of Sale transactions are permissible disclosures of account information, and you further agree to release First State Bank and hold it harmless from any liability arising out of the transmission of these messages.

We will disclose information to third parties about your account or electronic fund transfers made to your account:

1. Where necessary to complete a transfer or to investigate and resolve errors involving the transfer(s); or
2. In order to verify the existence and condition of your account for a third party such as a credit bureau or merchant; or
3. In order to comply with government agency or court orders; or
4. If you give us your permission in a record or writing.

AMENDING OR TERMINATING THE AGREEMENT. We may change this agreement from time to time. You will be notified at least 21 days before a change will take effect if it will cause you an increase in costs or liability or it will limit your ability to make electronic fund transfers. No notice will be given if the change is necessary for security reasons. We also have the right to terminate this agreement at any time.

SAFETY PRECAUTIONS FOR ATM TERMINAL USAGE. Please keep in mind the following basic safety tips whenever you use an ATM:

- Have your Debit Card ready to use when you reach the ATM. Have all of your forms ready before you get to the machine. Keep some extra forms (envelopes) at home for this purpose.
- If you are new to ATM usage, use machines close to or inside a financial institution until you become comfortable and can conduct your usage quickly.
- If using an ATM in an isolated area, take someone else with you if possible. Have them watch from the car as you conduct your transaction.
- Do not use ATMs at night unless the area and machine are well-lighted. If the lights are out, go to a different location.
- If someone else is using the machine you want to use, stand back or stay in your car until the machine is free. Watch out for suspicious people lurking around ATMs, especially during the times that few people are around.
- When using the machine, stand so you block anyone else's view from behind.

- If anything suspicious occurs when you are using a machine, cancel what you are doing and leave immediately. If going to your car, lock your doors.
- Do not stand at the ATM counting cash. Check that you received the right amount later in a secure place, and reconcile it to your receipt then.
- Keep your receipts and verify transactions on your account statement. Report errors immediately. Do not leave receipts at an ATM location.

ADDITIONAL PROVISIONS

Your account is also governed by the terms and conditions of other applicable agreements between you and First State Bank.

FUNDS AVAILABILITY POLICY DISCLOSURE

YOUR ABILITY TO WITHDRAW FUNDS

PURPOSE OF THIS DISCLOSURE. Our general policy is to allow you to withdraw funds deposited in a transaction account by the first Business Day after the day of deposit. Funds from electronic direct deposits will be available on the day we receive the deposit. In some cases, we may delay your ability to withdraw funds beyond the first Business Day after the day of deposit. Our complete policy is summarized below. For purposes of this disclosure, the terms "you"/"your" refer to the customer and the terms "our"/"we"/"us" refer to FIRST STATE BANK.

Generally, transaction accounts are accounts which would permit an unlimited number of payments by check to third persons, and also an unlimited number of telephonic and preauthorized transfers to third persons or other accounts you may have with us.

DETERMINING THE AVAILABILITY OF YOUR DEPOSIT. The length of the delay varies depending on the type of deposit and is explained below. When we delay your ability to withdraw funds from a deposit, you may not withdraw the funds in cash, and we will not pay checks you have written on your account by using these funds. Even after we have made funds available to you and you have withdrawn the funds, you are still responsible for checks you deposit that are returned to us unpaid and for any other problems involving your deposit.

When we delay your ability to withdraw funds, the length of the delay is counted in Business Days from the day of your deposit. The term "Business Day" means any day other than a Saturday, Sunday or federally declared legal holiday, and the term "Banking Day" means that part of any Business Day on which we are open to the public for carrying on substantially all of our banking functions.

If you make a deposit before 4:00 p.m. on a Business Day that we are open, we will consider that day to be the day of your deposit. However, if you make a deposit after 4:00 p.m. or on a day that we are not open, we will consider the deposit made on the next Business Day we are open.

AVAILABILITY SCHEDULE

Same Day Availability. Funds from deposits of:

- electronic direct deposits
- cash*
- wire transfers
- U.S. Treasury checks**
- U.S. Postal Service money orders**
- Federal Reserve Bank or Federal Home Loan Bank checks**
- State or Local Government checks**
- Cashier's, Certified, or Teller's checks**
- checks drawn on us

will be available on the day of deposit.

Other Check Deposits. Funds from all other check deposits will be available by the first Business Day after the day of your deposit.

* **Cash Deposits.** If the cash deposits are made in person to an employee of FIRST STATE BANK, then the funds will be made available on the day we receive your deposit. If they are not made in person to an employee, then the funds will be made available no later than the next Business Day after the day of your deposit.

** **Check Deposits.** Check deposits include U.S. Treasury checks; U.S. Postal Service money orders; Federal Reserve Bank or Federal Home Loan Bank checks; State or Local Government checks; and Cashier's, Certified, or Teller's checks. In order for these check deposits to be made available according to the funds availability schedule above, the following conditions are required:

U.S. Treasury Checks. These checks must be made payable to you and deposited into your account.

U.S. Postal Service Money Orders; Federal Reserve Bank or Federal Home Loan Bank Checks; State or Local Government Checks; or Cashier's, Certified, or Teller's Checks. These checks must be made payable to you, made in person to one of our employees, and deposited into your account.

If any of these conditions are not satisfied, then the funds from these check deposits will be made available no later than the second Business Day after the day of your deposit.

LONGER DELAYS MAY APPLY. In some cases, we will not make all of the funds that you deposit by check available to you according to the previously stated availability schedule. Depending on the type of check that you deposit, funds may not be available until the second Business Day after the day of your deposit. The first \$225.00 of your deposits, however, may be available by the first Business Day after the day of deposit.

If we are not going to make all of the funds from your deposit available to you according to the previously stated availability schedule, we will notify you at the time you make your deposit. We will also tell you when the funds will be available. If your deposit is not made directly to one of our employees, or if we decide to take this action after you have left the premises, we will mail you the notice by the day after we receive your deposit. If you will need the funds from a deposit right away, you should ask us when the funds will be available.

Funds you deposit by check may be delayed for a longer period under the following circumstances:

- (a) if we believe a check you deposit will not be paid;
- (b) if you deposit checks totaling more than \$5,525 on any one day;

- (c) if you redeposit a check that has been returned unpaid;
- (d) if you have overdrawn your account repeatedly in the last six months; or
- (e) if an emergency condition arises that would not enable us to make the funds available to you, such as the failure of computer or communications equipment.

We will notify you if we delay your ability to withdraw funds for any of these reasons, and we will tell you when the funds will be available. They will generally be available no later than the seventh Business Day after the day of your deposit. If you will need the funds from a deposit right away, you should ask us when the funds will be available.

HOLDS ON OTHER FUNDS FOR CHECK CASHING. If we cash a check for you that is drawn on another financial institution, we may withhold the availability of a corresponding amount of funds that are already in your account. Those funds will be available at the time funds from the check we cashed would have been available if you had deposited it.

HOLDS ON OTHER FUNDS IN ANOTHER ACCOUNT. If we accept for deposit a check that is drawn on another financial institution, we may make funds from the deposit available for withdrawal immediately but delay your availability to withdraw a corresponding amount of funds that you have on deposit in another account with us. The funds in the other account would then not be available for withdrawal until the time periods that are described elsewhere in this disclosure for the type of check that you deposited.

SPECIAL RULES FOR NEW ACCOUNTS. If you are a new customer, the following special rules may apply during the first 30 days your account is open.

* **Cash Deposits.** Funds from cash deposits (whether or not they are made in person to an employee of FIRST STATE BANK) are made available on the same Business Day that we receive your deposit.

IMPORTANT INFORMATION ABOUT YOUR ACCOUNT

Substitute Checks and Your Rights

WHAT IS A SUBSTITUTE CHECK? To make check processing faster, federal law permits banks to replace original checks with "substitute checks." These checks are similar in size to original checks with a slightly reduced image of the front and back of the original check. The front of a substitute check states: "This is a legal copy of your check. You can use it the same way you would use the original check." You may use a substitute check as proof of payment just like the original check.

Some or all of the checks that you receive back from us may be substitute checks. This notice describes rights you have when you receive substitute checks from us. The rights in this notice do not apply to original checks or to electronic debits to your account. However, you have rights under other law with respect to those transactions.

WHAT ARE MY RIGHTS REGARDING SUBSTITUTE CHECKS? In certain cases, federal law provides a special procedure that allows you to request a refund for losses you suffer if a substitute check is posted to your account (for example, if you think that we withdrew the wrong amount from your account or that we withdrew money from your account more than once for the same check). The losses you may attempt to recover under this procedure may include the amount that was withdrawn from your account and fees that were charged as a result of the withdrawal (for example, bounced check fees).

The amount of your refund under this procedure is limited to the amount of your loss or the amount of the substitute check, whichever is less. You also are entitled to interest on the amount of your refund if your account is an interest-bearing account. If your loss exceeds the amount of the substitute check, you may be able to recover additional amounts under other law.

If you use this procedure, you may receive up to \$2,500.00 of your refund (plus interest if your account earns interest) within 10 business days after we received your claim and the remainder of your refund (plus interest if your account earns interest) not later than 45 calendar days after we received your claim. We may reverse the refund (including any interest on the refund) if we later are able to demonstrate that the substitute check was correctly posted to your account.

HOW DO I MAKE A CLAIM FOR A REFUND? If you believe that you have suffered a loss relating to a substitute check that you received and that was posted to your account, please contact us by:

Phone at: (940)665-1711 or
Mail at: FIRST STATE BANK
P O BOX 10
GAINESVILLE TX 76241-0010

You must contact us within 40 calendar days of the date that we mailed (or otherwise delivered by a means to which you agreed) the substitute check in question or the account statement showing that the substitute check was posted to your account, whichever is later. We will extend this time period if you were not able to make a timely claim because of extraordinary circumstances.

Your claim must include:

- A description of why you have suffered a loss (for example, you think the amount withdrawn was incorrect);
- An estimate of the amount of your loss;
- An explanation of why the substitute check you received is insufficient to confirm that you suffered a loss; and
- A copy of the substitute check and/or the following information to help us identify the substitute check such as the check number, the name of the person to whom you wrote the check, the amount of the check.

An expedited recredit claim must be submitted in writing. When a claim has been submitted orally, we must receive that written claim within 10 business days of the oral claim.

What You Need to Know About Overdrafts and Overdraft Fees rev 9-2014

An overdraft occurs when you do not have enough money in your account to cover a transaction, but we pay it anyway. We can cover your overdraft in two different ways:

1. We have standard overdraft practices that come with your account.
2. We also offer overdraft protection plans, such as a link to another deposit account, which may be less expensive than our standard overdraft practices. To learn more, ask us about these plans.

This notice explains our standard overdraft practices.

➤ **What are the standard overdraft practices that come with my account?**

We do authorize and pay overdrafts for the following types of transactions.

- Checks and other transactions made using your checking account number
- Automatic bill payments

We do not authorize and pay overdrafts for the following types of transactions unless you ask us to (see below):

- ATM transactions
- Everyday debit card transactions

We pay overdrafts at our discretion, which means we do not guarantee that we will always authorize and pay any type of transaction.

If we do not authorize or pay an overdraft, your transaction will be declined.

➤ **What fees will I be charged if First State Bank pays my overdraft?**

Under our standard overdraft practices:

- We will charge you a fee of **\$29** each time we pay an overdraft.
- There is no limit on the total fees we can charge you for overdrawing your account.

➤ **What if I want First State Bank to authorize and pay overdrafts on my ATM and everyday debit card transactions?**

If you also want us to authorize and pay overdrafts on ATM and everyday debit card transactions, call 940-665-1711 or Metro 940-349-5444 and ask for "OPT-IN" assistance **or** complete the form below and mail it to: First State Bank, P O Box 10, Gainesville TX, 76241-0010.

'OVERDRAFT SERVICE'
CUSTOMER OVERDRAFT DISCLOSURE rev 6-2019

An insufficient balance can result from several events, such as:

- (1) the payment of checks, electronic funds transfers, debit card transactions, ATM withdrawals, or other withdrawal requests;
- (2) payments authorized by you;
- (3) the return of unpaid items deposited by you;
- (4) bank service charges or
- (5) the deposit of items which, according to the bank's Funds Availability Policy, are treated as not yet available or finally paid.

We are not obligated to pay any item presented for payment if your account does not contain sufficient funds. However, if you maintain your account in good standing, we may approve your overdrafts within your current available Overdraft Service limit as a non-contractual courtesy. Your account is in good standing if you:

- (1) demonstrate responsible account management – such as making regular deposits to bring your account to a positive balance at least once every 30 days (including the payment of all bank fees and charges);
- (2) avoid excessive overdrafts suggesting the use of Overdraft Service as a continuing line of credit and
- (3) there are no legal orders, levies or liens against your account.

In addition, based upon our review of your account management, if we determine you may be using Overdraft Service as a regular line of credit by creating excessive overdrafts, we may suspend the privilege without any prior notice. Example: your account is determined not to be in good standing if it remains overdrawn 30 days at which time Overdraft Service will be suspended.

In the normal course of business, transactions are typically paid in the following order in low to high transaction amount unless otherwise stated:

- (1) ATM Debits
- (2) Electronic Debits
 - Point of Sale (POS)
 - Debit Card
 - ACH Debits
 - ACH Electronic Checks (converted checks processed through the ACH System)
- (3) Checks presented for payment (low to high serial number)

We reserve the right to change the order of payment without notice to you. Also, please be aware that the order of item payment may create multiple overdrafts during a single banking day for which you will be charged our standard overdraft fee of \$29 for each overdraft (paid or returned). More than one overdraft fee will be charged against your account per day, depending on the number of transactions presented (daily limits may apply).

Normally, we will not approve an overdraft for you in excess of the predetermined amount assigned to your

account type. So as not to exceed your limit, please note that the amount of the overdraft plus the bank's standard overdraft fee of \$29 (per item) will be deducted from the overdraft limit.

We may refuse to pay an overdraft for you at any time even though we may have previously paid overdrafts for you. You will be notified by mail of any non-sufficient funds items paid or returned that you may have; however, we have no obligation to notify you before we pay or return any item.

The amount of any overdraft plus our standard overdraft fee of \$29 that you owe us shall be due and payable upon demand. If there is an overdraft paid by us on an account with more than one owner on the signature card, each owner and agent, if applicable, drawing/presenting the item creating the overdraft, shall be jointly and severally liable for such overdraft plus our standard overdraft fee of \$29.

Overdraft Service should not be viewed as an encouragement to overdraw your account. As always, we encourage you to manage your finances responsibly. We offer sweep (auto funds-transfer) services between customer accounts that may provide opportunities to reduce fees in contrast to overdraft fees. If you have difficulty repaying an overdraft balance, you may qualify for a special repayment program. Also, more economical credit services may be available for your credit needs. Contact one of our loan representatives for more information on bank lending services.

You may decline "Overdraft Service" at any time, but you are responsible for any overdrawn balances (if applicable). If you would like to have this service removed from your account, please call (940) 665-1711 or Metro (940) 349-5444 or contact any of our bank locations.

After 45 days from account opening, access to Overdraft Service and limits are reviewed. Limits are based upon account type, deposits, and account activity. Depending on your account activity, limits may be changed. We will notify you of your approved limits as they apply. Balance inquiry information standards do not include Overdraft Service limits; however, Overdraft Service limits are normally made available for transactions by check, in-person withdrawal, ATM withdrawal, or other electronic means. Overdrafts created by ATM or everyday debit card transactions require separate "OPT-IN" consent.

LIMITATIONS:

Overdraft Service is a non-contractual courtesy that is available to transaction accounts in good standing. First State Bank reserves the right to limit participation to one account per household/business and to discontinue this service without prior notice.

Acknowledgment And Consent For Electronic Signatures, Disclosures And Notices

This Acknowledgement and Consent for Electronic Signatures, Disclosures and Notices form is to be called/used in conjunction with the use of digital signatures on forms and the following provisions apply to your election to receive electronic records. It also documents authorization for and establishes the reliability of the digital signature. This Acknowledgement and Consent for Electronic Signatures, Disclosures and Notices (the "Agreement") constitutes the entire agreement by and between Financial Institution, each account owner and the consumers signing below (each a "Consenting Party"), with respect to the use of electronic signatures and electronic records. For joint accounts, the consent to this Agreement by any account owner applies to all account owners and any other parties to the account.

- 1. DEFINITIONS.** In the provisions hereof, the terms "you", "your" and "Consenting Party" refer to the person(s) opening this account electronically, and the terms "we" and "us" refer to the financial institution ("Financial Institution") listed above. Also, the use of "you" and "your" are to be construed in the singular and plural, as the text requires.
- 2. SCOPE AND DURATION.** You have elected to receive all available disclosures, notices and other records ("records") from us in electronic form, until you close the account(s) or until such time the events described in Changing Your E-Mail Address or Withdrawal of Consent provisions occur. We may exercise our right to deliver the disclosures, notices and other records in writing, rather than electronically. All written documents will be sent to the primary address we have on file for you at the time of delivery.
- 3. SYSTEM REQUIREMENTS.** Below are the necessary hardware and software requirements you must have in order to receive and retrieve records electronically. We will notify you of any change in the hardware or software requirements needed for access to or retention of electronic records.
- 4. CONFIRMATION.** By electing to have your records provided to you in an electronic form, you agree to confirm your ability to receive these records electronically by following any procedures specified to us, form time to time. - 5. REQUESTING PAPER COPIES.** You may request paper copies of your records.
- 6. CHANGING YOUR E-MAIL ADDRESS.** If you change your e-mail address or other contact information, you must provide us with your new e-mail address or other contact information. BINDING EFFECT.** The obligations hereof bind your heirs, executors, administrators, successors and assigns and all rights, benefits and privileges hereby conferred on Financial Institution are hereby extended to and conferred upon and may be enforced by its successors and assigns. Further, if any Consenting Party is a partnership, the obligations hereof will continue in force, and apply, notwithstanding any change in the membership of such partnership, whether arising from the death or retirement of one or more partners or the accession of one or more new partners.
- 8. ENFORCEABILITY.** Whenever possible each provision of this Agreement will be interpreted in such manner as to be effective and valid under applicable law. If any provision of this Agreement is prohibited by or invalidated under applicable law, such provision will be ineffective only to the extent of such prohibition or invalidity, without invalidating the remainder of such provision or the remaining provisions of this Agreement.
- 9. HEADINGS.** Section headings/titles are for convenience only and are not to be used in construing or interpreting this Agreement.

10. GOVERNING LAW. This Agreement is governed by the laws of the state in which the account(s) is opened except to the extent that federal law is controlling.
